Please answer the following 5 questions about your goals and ambitions.

1) Please share with us what inspired you to attend Seton Hall University?

2) Please share with us your plans after graduation?

3) What is your dream job?

4) How have you grown since arriving to SHU?

5) How would you inform your community back home about SHU and what information would you share with them? One example might be, "Attend a college fair at my high school back home", but feel free to be creative!
