Celebrate the Close of the “Year of the Priest” in The Eternal City!

Italian Saints
Using the city of Rome as a point of departure, this program will be an opportunity to deepen your Christian identity and spirituality by exploring how various martyrs and saints have lived out the call to holiness through the ages. The lectures, discussions and site visits will focus on the various traditions of spirituality that are reflected in the lives of the saints who have lived, ministered and worshiped in Rome throughout the various stages of the history of the church in the Eternal City.

1. Some key historical figures that could be included in the program are St. Sebastian, Sts. Benedict and Scholastica, St. Ignatius of Loyola, St. Paul of the Cross, and Blessed Teresa of Calcutta.

2. Special attention will be given to the ways these holy women and men model for us “schools” of spirituality through which we can walk on our journey of faith.

3. The program will also explore how the art and architecture of Rome reflect the various approaches to Christian discipleship exemplified in their lives.
