DISCOUNT CODE: CC-6212

Air Brook Limousine can provide a private pick-up service from the airport to Seton Hall University.

Type of Vehicle

A sedan can hold up to four people with four pieces of luggage and four carry-on bags. One price for up to four passengers. Luggage should be a Standard Size of 28" High X 27" Long X 22" Wide (See attached document for complete pricing information).

Booking a Reservation

Students can make reservations for transportation via phone or online. A credit card will be needed to reserve the service, but payment will be made after the service has been provided.

Payment

Payment can be made in either cash or credit card. It is suggested to bring cash in USD with you because it is customary to give a gratuity tip and it might be easier to split the cost of the service if travelling with other Seton Hall students.

Pick-up from the Airport

The company will arrive at the scheduled pick-up time and monitor the student's flight information for any delays. Upon exiting the terminal building, the student will need to call Air Brook to locate the driver. The driver will have a sign in their windshield with the student's last name and company name. It is suggested for students to ask the driver's name before getting in the vehicle and to call back the Air Brook if it is not the driver they indicated over the phone.

Air Brook Policies

Please check the Air Brook website for cancellation, change and wait policies. Please be aware of all Air Brook policies before booking your reservation.
