*Directions: Please fill in the required pre-requisite information below which links directly to your transcript(s). Complete the required pre-requisite information that links directly to your transcript(s) by adding the names of all institutions attended and listing the names of the courses that fulfill our pre-requisites by category. To be considered for admission, your cumulative grade point average (GPA) and the pre-requisite GPA must both be at least 3.0 on a four-point scale. Note that all prerequisite courses must be met with a grade of "C" or better. All prerequisite courses must be completed no longer than 10 years prior to the application date. Students with incomplete prerequisites may apply; however, you must state how you will satisfy the prerequisites by June 15<sup>th</sup> prior to the start of the program. Applicants may be asked to provide proof of enrollment in any outstanding prerequisite courses. It is the applicant's responsibility to then submit official transcripts upon completion of the course. Admissions application review requires that all official transcripts are received to be considered for an admissions decision.*
